## Eliminate the following in your Success Script:

- ✚ You don't need to tell the back story or drama of what happened.
- ✚ You don't need the other people in the story to be co-authors.
- ✚ You don't need to focus on pain, anger, drama or broken pieces.
- ✚ You don't need to write the story to fix anyone or anything.
- ✚ You don't need to put people or place names in the story.

- ✚ You don't need *transition* words that put you in the middle of the process rather than at the end result where you are fully reaping and living your ideal experience.

Ex: He was ~~working on, planning to travel, earning her way, in the process of closing ...~~

CLIENT 11:37 AM

Close but not intimate enough and it does not address the social aspect of sharing and celebrating with phenomenal friends like YOU

Does it need to address reconciliation?

CLIENT 11:43 AM

SCRIPT YOUR SUCCESS 11:44 AM
