

## Welcome to the **Live Your Peace Summit and Meditation Series**

Hello, My name is Cass Forkin co-founder of the Make God Smile Foundation. It's my honor to welcome you to the **Live Your Peace Summit**.

This is the perfect time to spotlight your message on peace. The world is crying out for answers and focus on "what's truly working". We've gathered some of the most wonderful community leaders on Peace. Since it's inception November of 2009 host and producer Ruth Anne Wood has interviewed **you** for the LiveYourPeace.com interview series.

I've watched this project since I was invited to be one of the original Live Your Peace makers filmed in an afternoon Live Your Peace workshop. It has gone from an intimate filming by our friend Bill Jersey an Emmy Award winning film maker to local to globally renowned community leaders sharing three minutes of peace on the global stage to a magnificent stone soup of Internationally committed peace makers having in depth interviews on peace passion and prosperity.

As a celebrated guest we've already place many of you in our 7 day Live Your Peace Summit. If you don't see your name, or you feel called to be featured on a different day/ meditation please email [ruth@scriptingforsuccess.com](mailto:ruth@scriptingforsuccess.com).

We ask you as one our esteemed participants to commit to the promotion of this event that includes; A special roll out of the event interviews that will be made available for purchase during the event. Also a special movie is in the works with award winning filmmakers. Please let us know you want to participate with this **Media Release- Please print, sign, scan and [email](#) the Media Release**.
